Recital Volunteers are needed to make our show successful. Parents are not allowed in the backstage area during the shows, unless they are scheduled to work backstage. If you are new to our school and are apprehensive of your child being backstage without you, please sign up to work backstage. We are very strict about the audience staying in the audience. Keeping out the excess traffic backstage actually makes our show run smoother. (Once you have seen one of our shows you will understand!) Parents who work backstage will be able to watch their child from the side of stage. We need 2 parents for each class each performance. ALL backstage workers will need to come to dress rehearsal on Thursday and will need to wear a mask. We also need volunteers to work in the lobby passing out programs and selling flowers for the 'student of the year' scholarship before the show and during intermission. Please check off anything on the list you or a family member may be able to contribute. You will receive an email you to confirm. Thank you for your support in making our production successful!

It should also be noted that performers age 8 and older, are not permitted to leave the recital until it is over unless otherwise stated. This ensures that there is an audience for the last students to perform for, as well as decreases unnecessary disruptions in the audience during the shows. Students will need to be signed in and out from our backstage area before and after the shows. Younger students should be picked up at intermission and either taken home or brought out to watch the second act. (Tickets not needed for students!)
